- Make capital improvements to our streets and parks that are necessary and financially prudent.
- Conscientiously and aggressively market the Ogden T.I.F. District to developers and franchises.
- Stop the fighting and bickering and develop a working partnership with Brookfield Zoo to actively market all of our business areas.
- Stop forcing residents and businesses to pay for improvements by obtaining grants and reducing legal fees.
- Reduce the number of managers at the Village Hall, stop nepotism, curb excessive hiring, inflated salaries and pay raises.
- Promote a resident and business friendly administration
- Bring back all the community events that bring UNITY to our community and make them self-supporting.
