VILLAGE WASTE

The financial situation in the Village of Brookfield is in shambles. 6 Years of PEP Party domination has led the Village to the brink of bankruptcy. There are few reserves left and all future alternate source revenue has been dedicated to pay long term debt. All village fees have been raised and many new taxes implemented to pay for the excessive spending.

Some of the examples of waste

<u>2006</u>	
Water and Sewer Fund \$7.5 M	Today - \$1.4 M
Garbage Fund \$1.1 M	Today - \$0
General Fund Reserves \$2.6 M	Today - \$200,000

2006 -2009
\$9.5 M in New Bond Debt

2009
\$669,000 Error in Library Tax Levy
